

Integrated Management System Policy

We are committed to delivering high-quality products and services while protecting the health and safety of our people and minimizing our environmental impact. Our Integrated Management System complies with ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, and all applicable legal and regulatory requirements.

To achieve this, we will:

- Provide a safe and healthy workplace and actively involve employees in improving safety.
- Reduce waste, prevent pollution, and promote sustainable practices.
- Consistently meet or exceed customer expectations for product quality and service.
- Set and review objectives that support continual improvement in quality, environmental performance, and health & safety.
- Maintain open communication with employees, customers, suppliers, and stakeholders to strengthen performance.

We are dedicated to continual improvement and achieving excellence across all operations.
